

Yardeni Research

How to Get YRI's App

Our website functions as an app across all digital platforms. Just follow these steps to add the YRI button to your cell phone's home screen:

Apple devices

- (1) Open Safari and navigate to yardeni.com
- (2) Click the share button on the toolbar (it looks like a box with an upward arrow coming out the top)
- (3) Select "Add to Home Screen"
- (4) Customize title if desired, then click "Add"

Android devices

- (1) Open Chrome and navigate to yardeni.com
- (2) Select "Add to Home screen" on the toolbar
- (3) Customize title if desired, then click "Add"
